

## SAFE2SAY OVERVIEW

- 1. Comprehensive Value at a Clear Cost:** Safe2Say offers a secure, comprehensive and budget-friendly solution with an annual investment of only \$6000. There are no concealed fees, and any proceeds from the licence are reinvested into community safety initiatives.
- 2. Minimal Burden:** Safe2Say's URL-based system eliminates the need for IT integration or additional infrastructure. This seamless integration ensures hassle-free adoption of Safe2Say.
- 3. Empower Organisational Culture:** Your investment directly fuels meaningful organisational change by enabling employees, clients, and contractors to report inappropriate behaviour, nurturing a culture of transparency and trust by enhancing employee well-being and reducing psychosocial harm.
- 4. Revolutionary Anonymity:** Safe2Say's unique two-way anonymous chat transforms reporting and fosters a supportive work environment.
- 5. Insights and Control:** As an organisation you get exclusive report access for strategic, proactive responses. You maintain control of the data unlike third-party outsourcing where the outsourced company is the first to know your business; in essence you are first to know what is happening in your organisation.
- 6. Develop Your Own Report Forms:** Safe2Say allows you to develop report forms with templates or you can create your own from within Safe2Say.
- 7. Personalised Branding:** Enhance your company's identity by customising report forms with your logo and branding.
- 8. Support Community Safety:** Align with Safe2Say's contribution to vital community safety projects, enhancing your ESG strategy.
- 9. Expert Support:** Rely on dedicated support to guide your setup.
- 10. Ongoing Innovation:** Safe2Say evolves continuously, ensuring a future-proof investment through ongoing updates.
- 11. Online 24/7 Availability:** Safe2Say recognises the shift towards digital reporting preferences and the move away from telephone conversation.
- 12. Legal Obligations:** Safe2say provides an opportunity for organisations to contribute towards their relevant positive duty obligations under the Work Health and Safety legislation; Fair Work Act; Sex Discrimination Act; the Treasury Laws Amendment (Enhancing Whistle-blower Protections) Act.
